OUTREACH COMMITTEE:

Good publicity in the ADVOCATE and the PATCH, as well as list serves. Jacki made and Lally posted flyers for the September Fun Day.

Thanks to Betsy Leondar-Wright for organizing and the many volunteers she recruited, FUN DAY was a big success in spite of heavy wind and threatening rain. Betsy and Karen wrote thanks to all the volunteers and submitted an article and letter to the Editor that were published in the ADVOCATE. A teenager made a videotape of Fun Day; Karen will investigate to see if we can post a link on our website, depending on the quality of the final edited version.

Marshall reports that the database is up to date.

No Wake sign: Sally will check to see if it is up.

Karen will investigate getting the sign in list of visitors to Elizabeth Island for inclusion in our database.

Adria Arch from ARLINGTON PUBLIC ART told us the banner on the Boys and Girls Club is to be erected soon. She thanks FSPP for helping to publicize the need for funds. On Sunday, November 11, 2012 at 2 p.m. there will be a short, but festive opening celebration. Adria reminded us that the art represents our high school students and encouraged all to attend the celebration.

NEWSLETTER: The Fall issue looks great! We send many thanks to the outgoing Outreach Editor, Eric Berger, for his 5 years in that position. Sally Hempstead will take on this responsibility beginning with the winter 2013 issue. DEADLINE for articles will be December 7.

Karen encouraged us to support the following special events: People Making a Difference fundraiser dinner on October 15th, and the Mystic River Watershed Association's 40th anniversary celebration on October 25th.

NEXT MEETING will be the Annual Meeting held on Sunday, December 2 at the Jefferson Cutter House in Arlington Center.
