

[Volunteer for Spy Pond Park Fun Day 2024](#)

Would you like to volunteer to be part of making Fun Day happen on **September 14 10am-1pm (rain date Sunday 1-4pm)**?

We need every role that makes the event so great: bark boat helpers, musicians, staffers for the craft tables, puzzle table, information table and toddler table, scavenger hunt creators, faery costumed dancers and fairy house makers, face painters, boat ride guides, animal displays and bug-catching guides, publicists, photographers and their assistants, bubble-blowers, and set-up and clean-up volunteers.

We also need donations of prizes (nature-observational tools like binoculars, and nature-themed toys and books, and sheets of birch bark. And we need at least one canopy.

If you'd like to participate, contact Betsy: betsyclasmmatters@gmail.com or 781-648-0630.
